

Our Board is pleased to announce the details of our '10 *Membership Exhibition*.

Christ Church Art Gallery
Christ Episcopal Church
1412 Providence Road
Charlotte, NC 28207
May 3- June 14

The Christ Church Art Gallery is located in the beautiful Myers Park area of Charlotte at the intersection of Providence and Colville Roads. Many local and regional artists have exhibited their work here with great success. The church itself has a large and active membership. The building housing the art gallery is a spectacular hub of daily activities. The building is very accessible to the public.

Unlike our '09 show, this year's show will be a "selling show". This gives our members a great opportunity to sell their work without the restrictions of a judged show. The Christ Church Art Gallery requires that all paintings must be for sale. No NFS's or call for pricing. The gallery is a fundraiser that benefits the church's outreach projects. The church keeps a 30% commission, and charges tax on all sales. The Good News Shop handles all sales transactions and is open 9-4 weekdays, and 9-1 Sundays. The building is also open on some evenings and weekends for various activities. Please call the church to verify any evening or holiday hours (704-333-0378).

Since last year, the building has undergone some remodeling. This has slightly reduced the gallery hanging space. Our goal is to give each member the opportunity to show at least 2 paintings. Therefore, we have reduced the maximum framed size stated in our prospectus. As we get closer to the drop-off date, we will be asking members if they plan on entering, and the number of paintings they would like to enter. If space permits each artist may be able to enter one mini painting as stated in the prospectus. Your cooperation in helping us plan in advance is most appreciated.

Drop-off is Monday, May 3, 6:30 -7:30 PM. Members should bring two copies of the completed entry form and a \$15 check. Please take the time to actually read the prospectus. Both the entry form and prospectus can be downloaded from our website, piedmontpastelsociety.org.

Pick-up is Monday, June 14 from 6:30-7:30 PM.
